There are things that I will do for a hatchet job too  
Ante up, there's a new kid in town  
But it won't take long for what's red hot and blonde  
To be ashes on the ground

The Manhattan skyline, a bed and a byline  
Well, I've come and I've cradled your face  
And I won't be the last one to commit crimes of  
passion  
With a shoot-out and a chase

Over and over and over and over  
I'm beckoning, begging and I keep hanging on  
Going once, going twice, mercy God, Jesus Christ  
And I'm gone, and I'm gone, and I'm gone

Well, nothing has changed since the last time I came  
Got my pride and my hat in my hand  
And I never sleep well and I still kiss and tell  
And I do not pay the band

Over and over and over and over  
I'm beckoning, begging, I keep hanging on  
Going once, going twice, mercy God, Jesus Christ  
And I'm gone, I'm gone, I'm gone  
And I'm gone, and I'm gone, I'm gone
