Ladies and gentlemen  
Once in a life time  
Somebody is born  
To bring you  
Something so incredible  
Something that you've never heard before  
Right now  
You need to bow down

And finally show some respect  
To Your real artist  
To a real entertainer  
My man Shawn Desman  
The kind of person to earn the right to be who they are  
The type of man that you can shine on  
No games here kid  
This is what to you  
UOMO  
You know what that is  
That's Uomo record player  
Hey, yo, check it out

(AWWW see i got it at the wrong time! DAMIT!!)
