Another day has slipped away  
And now I feel it's time to say what's on my mind  
Why did it seem so hard  
To tell you what's been in my heart

Every time I hear your voice the angels sing,  
Girl I'm here to offer you my soul to keep  
I wanna take you in my arms  
And I want you to stay  
Cause I need you here tonight love of my life  
Yeah baby...

Something so real opened my eyes  
And now I see there's not much time... much precious  
time  
Swept away as the tears roll down tears of joy for the  
love I found

Every time I hear your voice the angels sing,  
Girl I'm here to offer you my soul to keep  
I wanna take you in my arms  
And I want you to stay  
Cause I need you here tonight love of my life

Now I've finally figured out what this world is all about  
And now's the time to live our lives forever baby...  
Cause I need you here tonight.

Every time I hear your voice the angels sing,  
Girl I'm here to offer you my soul to keep  
I wanna take you in my arms  
And I want you to stay  
Cause I need you here tonight love of my life... love of  
my life
