Should I stay, should I go?
It's not up to me no more.
I can't decide the way my heart feels.
pouring down on me like rain under the sunshine
I can't believe it, it's so unreal.

[Hook]

And I'm all messed up, drunk on her...
The more I get the more I want,
and I can't explain, what's happening
but every time I try to leave...

[Chorus]

...she's pullin' me back, in her arms
and I don't have the strength to resist her.
there's no escaping the love,
cause it's everywhere I turn, I can't get away.
I'm in trouble, trouble, trouble
I think I'm in trouble, trouble.
I know I'm in trouble, trouble, trouble
this time I'm in trouble.

I don't even know myself,
turnin' into someone else.
can't concentrate, can't even think clear
She got me dialin' 143 every time she's not with me.
I'm countin' seconds till she gets here.

[Hook]

And I'm all messed up,
drunk on her
The more I get the more I want,
and I can't explain, what's happening
but every time I try to leave...

[Chorus]

...she's pullin' me back, in her arms
and I don't have the strength to resist her.
there's no escaping the love,
cause it's everywhere I turn
can't get away.

I'm in trouble, trouble, trouble
I think I'm in trouble, trouble
I know I'm in trouble, trouble, trouble
this time I'm in trouble.

Don't even wanna hang out with my friends no more
can't even see myself with someone else no more.
and i owe it all to her
...and now she got me singing

I, I, I, oh
I, I, I, oh
I, I, I, oh
I, I, man...

[Chorus]

...she's pullin' me back, in her arms
and I don't have the strength to resist her.
there's no escaping the love,
cause it's everywhere I turn I can't get away.
I'm in trouble, trouble, trouble
I think I'm in trouble, trouble
I know I'm in trouble, trouble, trouble
this time I'm in trouble.

yeah yeah, trouble, trouble,
think I'm in trouble, trouble, trouble, trouble,
think I'm in trouble ... etc etc
