Someone like you

I've been searching for a long time
For someone exactly like you
I've been travelling all around the world
Waiting for you to come through.

Someone like you to make it
All worth while
Someone like you keep
Me satisfied. Someone exactly
Like you.

I've been travellin' a hard road
Lookin' for someone exactly like you
I've been carryin' my heavy load
Waiting for the light to come
Shining through.

Someone like you to make it
All worth while
Someone like you to keep
Me satisfied. Someone exactly
Like you.

I've been doin' some soul searching
Just to find out where you're at
I've been up and down this highway
In all kinds of foreign lands

Someone like you to make it
All worth while
Someone like you keep
Me satisfied.

I've been all around the world
Marching to the beat of a different
Drum.
But my baby I have
Realised
The best is yet to come.

Someone like you to make it
All worth while
Someone like you to keep
Me satisfied. Someone exactly
Like you.
