Yo c, they thought we wasn't gonna come wit somethin'
for the clubs,
Check it out..
This is the remix
Fo sho the spread my wings remix
Yo girl lemme tell you somethin'
Why are you takin' so long girl?
You know the weather's already changed and
No need in talking too much girl,
I said about the situation, I said about the situation..
And I know it's implicitly said when I say
Girl I don't want to argue no , not today
And I tell you there is nothing left to say
Let me be free and fly away

Sometimes I wish I could fly (this is the remix)
Spread my wings and soar away(this is the remix)
And I'll never return I said I'll never return
To this crazy love life.

Yo,
You know I loved you so much baby (you know I loved
you so much)
But there's no need for me to keep waiting,
No longer can you be trusted (can't be trusted girl)
I said I finally gave up, I said I finally gave up,
And I really hate to leave, but in this case
You broke my heart and now I feel this way
And I know somebody else is taking my place
Unfortunately I know that I can't stay(ayyyyyy)

Sometimes I wish I could fly(this is the remix)
Spread my wings and soar away(this is the remix)
And I'll never return, I said I'll never return,
To this crazy love life.
(to this crazy love life)

Yo girl im telling you,
This time I don't need you,
What makes you do the things,
Those nasty things you do,

And when you lied to me
About all the simple things
Girl I need my space to fly away.

Sometimes I wish I could fly (this is the remix)
Spread my wings and soar away (this is the remix)
And I'll never return, I said I'll never return
To this crazy love life.
x2

Oh baby, oh baby, oh baby, oh baby, oh baby, oh baby,
oh baby
