Chorus:

I dont wanna lose you
Dont wanna say goodbye
Just the thought of it makes me
Wanna cry
(I dont wanna lose you)

Girl, I know that
Theres something on your mind
And why, are you trippin
Baby are you still mine

Why you running from the love that we had
We were happy now you're looking so sad babe
Baby tell me why you're acting like this
Is there something, something that I missed

Chorus

I dont wanna lose you
Dont wanna say goodbye
Just the thought of it makes me
Wanna cry
(I dont wanna lose you)

Baby your everything
Everything a girl should be
And now I realize
That ur the only one for me

Time and time again
I looked into your eyes
Honey I can see all thru your lies
Put ur hand in mine and lets work it out
Ill show you what my love is all about

Chorus

I dont wanna lose you
Dont wanna say goodbye
Just the thought of it makes me

Wanna cry
(I dont wanna lose you)

(Yeah baby, dont make me cry, cuz I dont wanna lose
you)

Chorus (x3)
