Come on, pack your bags, clear the floor
Let's step out through the open door
Leave a note that says goodbye

And build a new house down by the sea
Get to the place we were meant to be
And you'll know it when you smile

Up at the window search in the sky
Looking for the rainbow and don't ask why
I wanna see the rainbow come

Hey, we'll be leaving on all sides
Oh, when the rainbow comes
When the rainbow comes

Mr. postman look and see
If there's a message in your bag for me
Could be a bomb or it could be a letter
It don't matter it can only get better

Hey, Mr. postman look and see
If there's a message in your bag for me
You know it's been such a long long time
Since I could laugh at this world of mine, yeah

Slipping and sliding around in your head
Be bop a lula then baby, you're dead
So come on make a bright new day

I need a prayer here, need a blessing
Cast an eye back as you run
Turn around boy, see the rainbow come

Hey, we'll be leaving on all sides
When the rainbow comes
When the rainbow comes

Oh, see the world from all sides
When the rainbow comes
When the rainbow comes

When the rainbow comes
When the rainbow comes
