Two, three go

Smile an ever lasting smile  
A smile can bring you near to me  
And don't ever let me find you gone  
'Cause that would bring a tear to me

This world has lost its glory  
Let's start a brand new story now my love  
Right now, there'll be no other time  
And I can show you how my love

Talk in ever lasting words  
And dedicate them all to me  
And I will give you all my life  
I'm here if you should call to me

And you think that I don't even mean  
A single word I say  
It's only words and words are all I have  
To take your heart away

You think that I don't even mean  
A single word I say  
It's only words and words are all I have  
To take your heart away
