We belong but we can't speak
we're the secret society
everybody follow 3
All the leaders chant with me

Secret Society (ey ey ey ey)
Secret Society (ey ey ey ey)

First Verse

Point your fingers up!
Make a circle, Oh
Look around your eye
the secrets out
what did you say?
it's a secret society

Pre-Chorus

You can try and push us down
but we'll keep rising up
I'm in a pyramid
we all go undercover

and while you gotcha eye on me
I got my spies on you
like under a microscope
do you believe in karma?

Chorus

Secret Society (ey ey ey ey)
Secret Society (ey ey ey ey)
Secret Society (ey ey ey ey)
Secret Society (ey ey ey ey)

Vamp

We belong but we can't speak
we're the secret society

you can hate me'

you can hate me

Revolution stand up!

Second Verse

You see that skull
it pulls the strings
like a puppet goes
bow down to the king
that oath is in ink

we all go undercover

and while you gotcha eye on me

He, belong but he can't speak (ey)
closed curtains
3 a secret society
a revolution!

Soldiers hard at work
