[Chorus]

I couldn't care less if you don't love me
I couldn't care less if you don't want me
But, I gotta confess that when you abandoned my
heart,
You know you tore it apart

[Verse 1]

I guess I'm okay now
In every way
I managed somehow
Since you went away
To find yourself
I hope you do, cause now, now we are through

[Chorus]

I couldn't care less if you don't love me
I couldn't care less if you don't want me
But I gotta confess that when you abandoned my heart,
You know you tore it apart

[Verse 2]

I've got my strength back
To go on with my life
The nights are getting shorter now (shorter now)
And the days are passing by
And God knows I cry
But, now I know I'm finally over you

[Chorus]

I couldn't care less if you don't love me (oh)
I couldn't care less if you don't want me

(If you don't want me baby)
But I gotta confess that when you abandoned my heart
You know you tore it apart

[Bridge]

Now the loneliness is gone
It's time to move on
I know that I can make it on my own (on my own)
Cause I can smile again
It's more than I could then
It's funny how time could heal a heart

[Chorus]

I couldn't care less if you don't love me,
I couldn't care less if you don't want me (if you
don't want me baby don't want me)
But I gotta confess that when you abandoned my heart
(when you abandoned my heart)
You know you tore it apart (you know you tore it apart)
I couldn't care less if you don't love me
I couldn't care less if you don't want me (if you
don't want me don't want me)
But I gotta confess that when you abandoned my heart
(when you abandoned my heart)
You know you tore it apart (you tore it apart)
