Shes just a girl

And i'm just a boy..

Sometimes things happenin'

We don't have a choice..

Some call it faith

Some call it an accident

I call it beautiful, like heaven sent..

Last night my whole life..

Came to a change..

'Cus last night I left my

Heart back at a place (I came home singing)

Dum, da dum, da dum, da dum dum, da dum, da dum

(Oh, oh, oo-woah)

Dum, da dum, da dum, da dum dum, da dum, da dum

She got my singing..

Dum, da dum, da dum, da dum dum, da dum, da dum

Oh, oh, oh oo-woah)

Dum, da dum, da dum, da dum dum, da dum, da dum

I'm just a boy

And shes just a girl..

Love is a mystery

I'm starting to learn..

Came unannounced

Came out of the blue..

Made my whole universe, revolve around you..

Last night, my whole life..

Came to a change

'Cus last night I left my

Heart back at a place (I came home singing)

Dum, da dum, da dum, da dum dum, da dum, da dum

(oh, oh, oh oo-woah)

Dum, da dum, da dum, da dum dum, da dum, da dum

She got my singing..

Dum, da dum, da dum, da dum dum, da dum, da dum

(oh, oh, oh oo-woah)

Dum, da dum, da dum, da dum dum, da dum, da dum
(oo-woah-oh)

Now I'm walking down the street

And everyone I meet

They don't understand that they think somethings
wrong with me

Were living in a parallel universe you and me

We're speaking in a language that only lovers speak

(oh, ooo-woah!)

Dum, da dum, da dum, da dum dum, da dum, da dum

(oh, oh, oh oo-woah)

Dum, da dum, da dum, da dum dum, da dum, da dum

She got my singing..

Dum, da dum, da dum, da dum dum, da dum, da dum

(she got me, she got me)

Dum, da dum, da dum, da dum dum, da dum, da dum

(No I can't stop, I can't stop)

Dum, da dum, da dum, da dum dum, da dum, da dum

(oh, oh, oh oo-woah)

Dum, da dum, da dum, da dum dum, da dum, da dum

Dum, da dum, da dum, da dum dum, da dum, da dum

(oh, oh, oh oo-woah)

(C'mon, c'mon)

Singing yeaah, ee, yeaah ah

Singing yeaah, ee, yeaah ah

Singing yeaah, ee, yeaah ah (eh, eh yeaah)

Singing yeaah, ee, yeaah ah

Singing yeaah, ee, yeaah ah

Singing yeaah, ee, yeaah ah (eh, eh yeaah)

(yeah, yeah, yeah, yeah, yeah)
