Oh whoa whoa
Oh ho whoa
Yeah yeah
This much is true, it's just about you

[Verse 1]

All my life, I've been waiting for you
Girl you don't even have a clue
Let me tell you what I mean since you've been on my
mind
It's just about you
Diamond rings don't mean ish to me
Girl it's once a time that I wanna see you
People say that I'm crazy but,
I won't give it up

[Chorus]

It ain't about the money that you make,
It ain't about the ice that you be rockin'
It ain't about your house,
It ain't about your car,
It's about who you are,
It ain't about the colour of your hair,
It ain't about the clothes that you wear,
This much is true it's just about you.

[Verse 2]

I can't help the way I feel
Let me prove that I'm for real
I can give you what you want and everything you need
It's just about you
Tell me why you gotta look so fine,
Girl your gonna make me lose my mind
I ain't trying to spit game on you,
Girl this is the truth

[Chorus]

It ain't about the money that you make

It ain't about the ice that you be rockin'

It ain't about your house

It ain't about your car

It's about who you are

It ain't about the colour of your hair

It ain't about the clothes that you wear

This much is true it's just about you

Yeah yeah baby

[Bridge]

You take me away,

To a place I've never been

And everyday,

I'll be there to say

wear babe no no no

No no no house, car no no no no no no no

It ain't about the house no, no car, no hair no no no,

Clothes you wear babe (no no no) no no no
