I know that it hasn't been perfect.  
But every second was worth it.  
Don't give me your reasons, don't tell me you're  
leaving.  
Let's not do goodbyes cause my heart can't take it.

So if you have to hurt me, do it gently.  
And let me down easy.  
If you have to break me, baby - let me down easy.  
Cause the thought of waking up without you.  
Feel my heart is killing me.  
Tell me how do I go on here.  
I'm tryna fade it and I cant be.  
I don't want a world without you.  
But if that's the way it has to be, then let me down easy.

Don't know if I'll ever get through it.  
What happen to love as I knew it.  
We spoke it for ever, Girl don't you remember.  
And now you're here telling me that this is the end.

If you have to hurt me, do it gently.  
And let me down easy.  
If you have to break me, baby - let me down easy.  
Cause the thought of waking up without you.  
[Let Me Down Easy Lyrics On ]  
Feel my heart is killing me.  
Tell me how do I go on here.  
I'm tryna fade it and I cant be.  
I don't want a world without you.  
But if that's the way it has to be, then let me down easy.

Don't say it, don't say it, don't.  
Don't say it, don't say it, don't I already know.

If you have to hurt me, do it gently.  
Let me down easy.  
If you have to break me, baby - let me down easy  
He he he let me down easy he he he he he he let  
me down easy.
