I got a smile that's written on my face
No way to hide it and the one to blame is YOU
Youuuuu Youuuuh
Your kind of loving makes the sun come out,
Nobody else could ever hold it down like
Youuuuu Youuuuh Youuuuh

You make it feel so right when we turn out the lights
And I put my hands on your body.
Make my knees go weak,
Make my heart skip a beat and
Nobody does it,
(Hey!) Nobody does it like
Youuuuu Youuuuh Youuuuh
Nobody does it like
Youuuuu Youuuuh Youuuuh
Nobody does it like you!

I try to sleep but when I close my eyes (my eyes)
The only thing that's ever on my mind is
Youuuuu Youuuuh Youuuuh
And when you call I need you back right now (right now)
The one thing that I could never live without is
Youuuuu Youuuuh Youuuuh

You make it feel so right when we turn out the lights
And I put my hands on your body.
Make my knees go weak,
Make my heart skip a beat and
Nobody does it
(Hey!) Nobody does it like
Youuuuu Youuuuh Youuuuh
Nobody does it like you
Youuuuu Youuuuh Youuuuh
Nobody does it like you
Youuuuu Youuuuh Youuuuh.

You got that something (Hey!)
You got that something that I want girl
That I need girl
You got that something (Hey!)
You got that something that all the guys want

But I'm the only one that's got.
Youuuuu Youuuuh Youuuuh
Youuuuu Youuuuh Youuuuh
Nobody does it like
Youuuuu Youuuuh Youuuuh
Nobody does it like you
Youuuuu Youuuuh Youuuuh
Nobody does it like you
Youuuuu Youuuuh Youuuuh.

Youuuuu Youuuuh Youuuuh
(Nobody, nobody, nobody)
Youuuuu Youuuuh Youuuuh
(Nobody, nobody, nobody)
Youuuuu Youuuuh Youuuuh
