And it's so amazing when you finally meet the one  
Who with just one look can turn your world around  
Yeah and I know it's crazy how you can find heaven in  
someone  
With your feet still planted firmly on the ground (Mm,  
yeah)

You hold a special part of me  
You have and always will be the apple of my eye

That's why I got to let you know that my life would never  
be the same  
If I let you be the one that got away (Yeah, yeah)  
So I'm down here on my knees  
Baby cause I'm begging you to stay  
I won't let you be the one that got away, so baby please  
stay (Yeah, yeah)

It's so amazing even if you found the one  
You don't know just what you've got until it's gone  
And I know it's crazy (yeah)  
Once you've looked into her eyes,  
You don't know what you've missed until it's arrived

You hold a special part of me  
You have and always will be the apple of my eye  
That's why I got to let you know that my life would never  
be the same  
If I let you be the one that got away (Yeah, yeah)  
So I'm down here on my knees  
Baby cause I'm begging you to stay  
I won't let you be the one that got away, so baby please  
stay (Yeah, yeah)

Is there anything I can do to stop this life from ending  
Cause for this heart, there is no mending

That's why I got to let you know that my life would never  
be the same  
If I let you be the one that got away

So I got to let you know that my life would never be the

same  
If I let you be the one that got away (Yeah, yeah)  
So I'm down here on my knees  
Baby cause I'm begging you to stay  
I won't let you be the one that got away, so baby please  
stay

Baby please stay.. (Ohh oh) (Yeah, yeah, yeah yeah..)
