### [VERSE 1]

She was unlike anything I've ever seen.  
Body so phat so I said "I got to be that one man leaving  
tonight with your hand in mine".  
Oh whats your name, push up on me, do your thang.  
I love that you have no shame,  
So sexy I feel your game.

### [CHORUS]

(Noo) Your so sexy girl  
What does it take to get close to you ?  
Girl I'm loving the things that you do  
So come do it to me (Whooooa)  
Your so sexy girl  
What does it take to get close to you ?  
Girl I'm loving the things that you do  
So come do it to me (Whooooa)

### [BRIDGE]

(Baby tell me can we play this game)  
I wanna know it's about to go down  
Cause your body looks like Honey.  
(I'm feelin you, your feelin me the same)  
And I wanna come and kiss you more  
Cause your lips look good like Honey.  
(Baby girl I don't play games to loose)  
I wanna know it's about to go down  
Cause your body looks like Honey.  
(Anything you want I'll do to you)  
And I wanna come and kiss you more  
Cause your lips look good like Honey.

Darkchild (ohh) we gon make it hot  
All my people the floor (ooh) we gon make it hot. (woo)  
Shawn Desman (ohh) we gon make it hot  
We gon keep this thing moving (ooh) like it just dont  
stop. (woo)

### [VERSE 2]

Now shes acting like she is all that  
And I said, "What you got" the fact that she said  
"You know I'm stacked" then I said

"No disrespect but girl you've got more than a little bit"  
Then she said "Can you notice?"  
Then I said, "girl don't start it".  
Then she said "If I do then I'll finish".

*[CHORUS]*

(Noo) Your so sexy girl  
What does it take to get close to you ?  
Girl I'm loving the things that you do  
So come do it to me (Whooooa)  
Your so sexy girl

Girl I'm loving the things that you do  
So come do it to me (Whooooa)

Baby girl I'm feeling you  
Do to me what you want to do.  
The way you play, make me wanna say  
Hey Hey Hey Hey Hey Hey Hey.  
Theres no way for me to explain  
How I got caught up in your game.  
In my time and your body's sayin  
Hey Hey Hey Hey Hey Hey Hey.
