(Bridge 1)

You got got me, you got got me stuck
Â‘Cause you got got that, you got got that touch

(Verse)

You got me stuck like glue,
Like gum to the bottom of my shoe
I canÂ‘t stop thinkin bout you
CanÂ‘t stop thinkin bout you
I got you stuck in my head
From the minute I roll out of bed
That kiss girl, how can I forget?
Tell me how can I forget?

(Bridge 2)

Underneath the stars
WeÂ‘ll never be apart
No matter where you are
You got me

(Bridge 1)

You got got me, you got got me stuck
Â‘Cause you got got that, you got got that touch

(Chorus)

When you shine I donÂ‘t care
IÂ‘m not going anywhere
Â‘Cause you got got me, you got got me stuck on you
baby

(Verse)

You got me stuck on your smile
Yea, that beautiful smile
Makes me wanna stick around for a while
You stick around for a while
You know IÂ‘m stuck on you
Like your little butterfly tattoo
And thereÂ‘s nothing I can do
No, thereÂ‘s nothing I can do

(Bridge 2)

Underneath the stars
We'll never be apart
No matter where you are
You got me

(Bridge 1)

You got got me, you got got me stuck
'Cause you got got that, you got got that touch

(Chorus)

When you shine I don't care
I'm not going anywhere
'Cause you got got me, you got got me stuck on you
baby

(Interlude)

You got me stuck like glue,
Like gum to the bottom of my shoe
I can't stop thinkin bout you
I can't stop thinkin about you

(Bridge 1)

You got got me, you got got me stuck
'Cause you got got that, you got got that touch

(Chorus x1)

When you shine I don't care
I'm not going anywhere
'Cause you got got me, you got got me stuck on you
baby

I'm stuck on you baby
