Ohh..

One touch, one kiss, one word  
Heart stops, it aches, it burns  
Your my one trule desire  
like a dream that came alive  
the sunshine in my life  
and i cant fake, cant say  
im not afraid to lose you babe

Cause the best thing about me is you  
and everyday im gonna let you know (oh oh oh oh)  
the best thing about me is you  
and i'd be crazy to let you go (oh oh oh oh)  
Your the best thing about me  
yeah..

Your real, your sweet, your mine  
And if I could stop time  
We would just stay right here  
Cause every moment we're apart  
I'm missing a piece of my heart  
Yeahh..  
And i cant fake, i cant say  
I'm not afraid to lose you babe

Cause the best thing about me is you  
And everyday im gonna let you know (oh oh oh oh)  
The best thing about me is you  
And i'd be crazy to let you go (oh oh oh oh)  
Your the best thing about me

I will be all you need..  
That's how much you mean to meee.. (Alright)  
I wanna hold you tight  
Day and night  
Stand by your side  
Everyday of my life

One touch, one kiss, one word  
Taking over my whole world

Cause the best thing about me is you

And everyday im gonna let you know (oh oh oh oh)  
The best thing about me is you  
And i'd be crazy to let you go (oh oh oh oh)  
Cause the best thing about me is you  
And everyday im gonna let you know (oh oh oh oh)  
The best thing about me is you  
And i'd be crazy to let you go (oh oh oh oh)  
Your the best thing about me  
The best thing.. the best thing baby you are..  
The best thing.. the best thing baby you are..  
The best thing.. the best thing baby  
Your the best thing.. the best thing
