Should I stay?
Should I go?
It's not up to me no more
I can't decide the way my heart feels
Pouring down on me like when under the sunshine
I can't believe it it's so unreal

And am all messed up, drunk on her
The more a get the more a want
And a can't explain what's happenin
But everytime I try to leave
Shes pulling me back in her arms
And'
I don't have the strength to resist her
There's no escapin her love
Cause it's everywhere I turn
Can't get away
I'm in trouble trouble trouble
I think I'm in trouble trouble trouble
I know I'm in trouble trouble trouble
This time am in trouble

I don't even know myself
Turnin into someone else
Can't concentrate can't even think clear
She got me dialing 143 everytime shes not with me
I'm countin seconds till she gets here

And am all messed up, drunk on her
The more a get the more a want
And a can't explain what's happenin
But everytime I try to leave
Shes pulling me back in her arms
And'
I don't have the strength to resist her
There's no escapin her love
Cause it's everywhere I turn
Can't get away
I'm in trouble trouble trouble
I think I'm in trouble trouble trouble
I know I'm in trouble trouble trouble
This time am in trouble

Don't even wanna hang out with my friends no more
Can't even see myself with someone else no more
And'
I owe it all to her, and now she got me singing
Ah ah ah ohh
Ah ah ah ohh
Ah ah ah ohh
Ah ah
Man shes pulling me back in her arms
And'
I don't have the strength to resist her
There's no escapin her love
Cause it's everywhere I turn
Can't get away
I'm in trouble trouble trouble
I think I'm in trouble trouble trouble
I know I'm in trouble trouble trouble
This time am in trouble
Yeah yeah
Ah trouble ah trouble ah think am in trouble
Ah trouble ah trouble ah think am in trouble
Ah trouble ah trouble ah think am in trouble
Ah ah ah think am in trouble
