uuuuhhh yeah
say
uuuhhh all right

these are the days
these are the moments
the truth that we live with
all of our lives
right here but now
no dress rehearsals
no second chances
so what we gon' do about it

oh
can't keep on closing my eyes
cant keep believing the lies
i know deep down inside
we really need to make a change
cause

i wanna wake up knowing ive done all that i can
i wanna wake up feel like i gave it a chance
take a look in a mirror and i be ashamed
so i'm taking a stand today

cause i can do better
you can do better
we can be better
cause i can do better
you can do better
i wanna hear everybody say we can be better
put out a hand
lend out a shoulder
leave on a light to
shine through the night
say you'll be there
say its not over
promise to never
turn around and give up the fight

can't keep on closing my eyes
cant keep believing the lies

i know deep down inside
we really need to find a way
cause

i wanna wake up knowing ive done all that i can
i wanna wake up feel like i gave it a chance
take a look in a mirror and i be ashamed
so i'm taking a stand today

cause i can do better
you can do better
we can be better
cause i can do better
you can do better
i wanna hear everybody say we can be better
