It's so simple, it's so complicated,
So I'm gonna give it to you like this.

I want you, yeah, I want that,
Everything that, a man has, you got it,
So I don't know what doubt is moving through my mind.
You're one of a kind and it's not alright, so I try to hide.
Maybe it's my fault that I, that I feel this way,
And there is no reason why I shouldn't wanna stay.
Your asking was wrong,
I, I, don't wanna lie to you!
You see right through me, yeah!
This time, I don't know how to feel,

I don't know how to feel,
I don't know how to feel no more!
I don't know how to feel no more!
I don't know how to feel,
I don't know how to feel,
I don't know how to feel no more!
I don't know how to feel no more!
I don't know how to feel!

You know I've tried to make it right
I wanna make it last forever!
If only we could remind, unwind,
Give it some time!
Oh, how I wish had known from a month ago,
I wish I could control it!

And I can't be specific,
Because I don't know what I'm feeling!
But I don't want to resent this,
So I pull away, thinking you'll be OK,
But the second you go,
I'm miss a connection,
Another indication,
I don't know how to feel!

I don't know how to feel,
I don't know how to feel no more!

I don't know how to feel no more!
I don't know how to feel,
I don't know how to feel,
I don't know how to feel no more!
I don't know how to feel no more!
I don't know how to feel!
