These simple walls are closing in on me, again.
There's empty spaces where your pictures used to
hang,
And is there anyone out there?
It's been so long,
Since anyone's lived here.

Since you've been gone it's been like hell for me,
Since you've been gone
Another night, another lie, and it's clearer
(Since You've been gone)
I never thought you'd walk away and it's too late now
'Cause no matter how hard I try,
I'm empty inside and I just wanna feel you again

There's just no use in changing sheets on this bed any
more
The side you slept has never felt this cold before.
I still smell your hair,
Even though you're gone.
And I can still see you everywhere.

Since you've been gone it's been like hell for me,
Since you've been gone
Another night, another lie, and it's clearer
(Since You've been gone)
I never thought you'd walk away and it's too late now
'Cause no matter how hard I try,
I, not so empty inside, I, I just wanna feel you again

We were so good together,
We thought it'd last forever
And if you'd give me one more shot now,
I swear I'll love you till the heavens come down

Since you've been gone it's been like hell for me,
Since you've been gone
Another night, another lie, and it's clearer
(Since You've been gone)
I never thought you'd walk away and it's too late now
'Cause no matter how hard I try,

I, and no matter how hard I fight, I,
And no matter how hard I try I,
I, just wanna feel you again
