I need a little low
I need a little high sometimes
I need a little wrong
I need a little right sometimes

Angel by my side
Devil by my side
My dark side needs the light
My life needs both sides

I need a little rush
I need a little break sometimes
I need a little love
I need a little hate sometimes

Angel by my side
Devil by my side
Yeah yeah yeah
My dark side needs the light
My life needs both sides

My life
My mind has two sides
My life
My mind has two sides

My dark side needs the light
And my life needs both sides
