My suspicion  
Has taken a toll on me  
I am drowning  
In a pool of jealousy

I am losing  
I am losing  
I am losing my mind

I see the way she looks at him  
And I see the way he looks at her  
And none of this makes sense  
Cuz she means everything to me  
My jealousy  
Is killing me

She denies it  
Says they're nothing more than friends  
Well I don't buy it  
This girl is messin' with my head

I am losing  
I am losing  
I am losing my mind

I see the way she looks at him  
And I see the way he looks at her  
And none of this makes sense  
Cuz she means everything to me  
My jealousy  
Is killing me

It shouldn't bug me but it does  
I don't feel like I'm the only one

I am losing  
I am losing  
I am losing my mind

I see the way she looks at him  
And I see the way he looks at her  
And none of this makes sense

Cuz she means everything to me  
My jealousy  
Is killing me
