My suspicion
Is taking a toll on me
I am drowning
In a pool of jelousy

I am losing
I am losing
I am losing my mind

I see the way
She looks at him
I see the way
He looks at her
And none of this makes sense
She means everything to me
My jelousy
Is killing me

She denies it
Says they're nothing more than friends
Well, I don't buy it
The girl is messing with my head

I am losing
I am losing
I am losing my mind

I see the way
She looks at him
I see the way
He looks at her
And none of this makes sense
She means everything to me
My jelousy
Is killing me

It shouldn't bug me
But it does
I don't feel like I am the only one

I am losing

I am losing
I am losing my mind

I see the way
She looks at him
I see the way
He looks at her
And none of this makes sense
She means everything to me
My jealousy
Is killing me
