There's a world of happy people,  
where everyone is safe.  
There's no such thing as evil.  
There's no such thing as hate.

I don't know how to get there,  
or what it's gonna take.  
But if we come together,  
we don't have to wait.

Cause I beleive in peace.  
And I beleive in love.  
And I beleive in friendship.  
I beleive in one.

We share the world we live in.  
It's changing everyday.  
Will our children still enjoy it when we pass away?  
Cause I see a world where nobody fights.  
Where we forgive all the wrong,  
and try to make it right.

Oh I beleive in peace.  
And I beleive in love.  
I beleive in friendship.  
I beleive in one.

Everyone's a daughter of someone a son  
of someone a child of someone.  
Everyone has something inside  
them something to guide them through it all.

Well I beleive in peace.  
I beleive in love.  
I beleive in friendship.  
I beleive in one.

Well I beleive in peace.  
I beleive in love.  
I beleive in friendship.  
I beleive in one.

There's a world of happy people,  
where everyone is safe.
