Some people say, i'm a fighter
some people hate what i do
I stand for my country
I stand for you

I got a family that loves me
They respect what i do
Try telling your child you're leaving
Believe me, it's a hard thing to do

So if i die don't judge me
Cause, i would not judge you
and if i die please accept it
Cause i would die for you

We have our reasons
Rules, morals and beliefs
i won't slander your opinions
I'm just searching for peace

so if i die don't judge me
cause, i would not judge you
And if i die please accept it
cause, i would die for you

I would die for you
