I've seen this place before,
It's coming back to me now.
My past i cant ignore,
It seems to stick with me somehow.
And we were so high,
We were so high.

I met you back at school,
I used to call you my best friend.
Drunken fights and broken rules,
Were just the typical weekend.
We used to get so high,
We used to get so high,
Now all i can do is think.

I just think.

We jumped into my car,
I cant remember the junction.
I tried to stay awake,
but my body couldn't function.
Cause we were so high,
We were so high,
Now all I can do is think.

How could I let you go away?
Well it's not fair, that your not here,
To share the best days I've ever had.
Well it's not fair, we never said goodbye.
We were so high,
So high,
So high,
So high.
