The world was on fire and noone could save me but
you
It's strange what desire will make foolish people do

No I'd never dream that I'd meet somebody like you
No I'd never dream that I'd lose somebody like you

[Chorus]

No I don't wanna fall in love
No I don't wanna fall in love , with you

What a wicked game to play,
to make me feel this way
What a wicked thing to do,
to let me dream of you
What a wicked thing to say,
you never felt this way
What a wicked thing to do,
to let me dream of you

(chorus)

[Piano]

The world was on fire and noone could save me but
you
It's strange what desire will make foolish people do

No I'd never dream that I'd love somebody like you
No I'd never dream that I'd lose somebody like you

(chorus)

Oh...
With you , yeah

No I...

Nobody loves noone
