I saw you in the garden  
Dancing twirling in the rain  
Teardrops rolling down your cheeks  
And trying a hell to make a fun of it  
And I like the way your pretty face  
Pushes so softly and the grace  
Could have stayed here for hours

But I can feel my heart  
Sinking to the very depth  
Of such a misunderstood love  
To which you gave  
But I can feel my head  
Blowing now when you're around  
Somehow it looks like I'm in love  
I run I ho-o-pe

I saw you laying down on the lawn  
Waiting for the sun  
And come and toasting  
Through your middle finger  
A tripling red hair funny thou  
I saw the wind blowing in your dress  
I felt a heat inside my chest  
You couldn't even try to hide  
Your skinny face

But I can feel my heart  
Sinking to the very depth  
Of such a misunderstood love  
To which you gave  
But I can feel my head  
Blowing now when you're around  
Somehow it looks like I'm in love  
I run I ho-o-pe

I saw you laying down on the lawn  
Waiting for the sun I come  
I saw you in your garden  
Could have stayed here for hours

But I can feel my heart  
It's sinking to the very depth  
Of such a misunderstood love  
To which you gave  
But I can feel my head  
Blowing now when you're around  
Somehow it looks like I'm in love  
I run I ho-o-pe
