I been a walkin'
walkin' in the moonlight

trippin' in the starlight.
Lord
and I'm feelin' down
walkin' in the shadows

sneakin' down a side road.
Come early mornin'
I'll be there on the edge of town.

'Cause I was a thinkin'
thinkin' 'bout a good thing
thinkin' 'bout a sweet gleam.
Mmm in my honeys eyes.
And I was a sinkin'
feelin' kind a lonesome.
Come early mornin'
I'll be home with my honey's side.

I have drifted up across the mountain
I have stumbled down the other side
I've been tempted tried and troubled.
Come early mornin'
I'll be home and satisfied.

She gimme little lovin'
gimme little sunshine
make me have a good time.
Lord
when I'm feelin' blue.
And I can't refuse her.
I wouldn't misuse her.
Come early mornin'
I'll be home with my honey dew.

I have drifted up across the mountain
I have stumbled down the other side
I've been tempted tried and troubled.
Come early mornin'

I'll be home and satisfied.
