I've never known one better
She's a real go getter
If you met her you'd be good as gone.
She's a real red liner
Likes it all behind her
She's the kind that keeps you hangin on.
She's a cowboy's buddy
Even when she gets muddy
Lord, she's lovely from her front to back
So either comin or going
Know her best side's showin'
She's my cowboy cadillac

She's the perfect picture
Of a perfect mixture
"Tween a woman and a fine machine.
She's a hard work lover
A real tough mother
She's the cover of a magazine
And I'm happy knowin
That what keeps me going
Is what's gonna keep me comin back
She's my honkin, tonkin
Everything I'm wantin
Cowboy cadillac.

She loves to haul them cattle
All my ropes and saddle
And it doesn't matter work or play
If it's a mountain she can crawl it
If it's hay then she can haul it
She's the last one to call it a day
Every cowboy loves her
Lord, they all dream of her
Oh brother don't they all react
At the end of the evening
When they see me leaving
With my cowboy cadillac.

She's the perfect picture
Of a perfect mixture

"Tween a woman and a fine machine.
She's a hard work lover
A real tough mother
She's the cover of a magazine
And I'm happy knowin
That what keeps me going
Is what's gonna keep me comin back
She's my honkin, tonkin
Everything I'm wantin
Cowboy cadillac.
