There's a little girl  
Out lying on her own  
She's got a broken heart  
She's not the kind  
You take down for long  
She knows and  
Plays it smart  
And if she's coming  
She's shown no more  
She's heard no whistle  
Blowing from the door  
She feels like leaving and  
She don't know why  
Without no bridges  
She's trapped  
So I sigh

[CHORUS:]  
Don't cross the river  
If you can't swim the tide  
Don't try denying  
Living on the other side  
All your life you were  
On your own

If you want  
You can ride my train  
Soon forget the reason  
That you're leaving  
Lose yourself and  
Then sometimes  
Maybe even save yourself  
Some grieving

[Repeat chorus]

If you want  
You can ride my train  
Soon forget the reason  
That you're leaving  
Lose yourself and

Then sometimes  
Maybe even save yourself Some grieving [Repeat  
chorus]
