For a change  
I headed South  
Across the border  
For the pesos and  
A different horse to ride  
I'd be back to make  
The rodeo in Waco  
But that was long  
Before I saw them  
Dark brown eyes  
With long black hair and  
English bad and broken  
Her body said the words  
She couldn't find  
As I hung on every word  
She left unspoken  
The question started  
Leaning on my mind

[CHORUS:]  
Rodeo or Mexico  
They both can keep  
A cowboy satisfied  
Rodeo or Mexico  
The only way  
I know how to decide  
Is just to get on and ride

We danced all night  
Beneath that sheet of cotton  
And you just don't  
Tell a girl like that goodbye  
But the cowboy life  
Ain't easily forgotten  
Though lying there  
I couldn't help  
But wonder why

[Repeat chorus]

The morning

Found the answer  
Dawning on me  
As I woke up to the  
Sharp end of a knife  
He was screaming at  
The woman hanging on me  
Does anybody know the  
Spanish word for wife?

[Repeat chorus]
