I was feelin' the blues
I was watchin' the news
When this fella came on the TV
He said I'm tellin' you
That science has proved
That heartaches are healed by the sea.
That got me goin'
Without even knowin'
I packed right up and drove down
Now I'm on a roll
And I swear to my soul
Tonight I'm gonna paint this town.

So bring me two pina coladas
I want one for each hand
Let's set sail with Captain Morgan
And never leave dry land
Troubles, I forgot 'em
I buried them in the sand
So bring me two pina coladas
She said goodbye to her good timin man.
Goodbye!

Oh now I've gotta say
That the wind and the waves
And the moon winkin' down at me
Eases my mind
By leavin' behind
The heartaches that love often brings
Now I've got a smile
That goes on for miles
With no inclination to roam
I've gotta say
That I think I've gotta stay
Cause this is feelin more and more like home

So bring me two pina coladas
I want one for each hand
Let's set sail with Captain Morgan
And never leave dry land
Troubles, I forgot 'em

I buried them in the sand
So bring me two pina coladas
She said goodbye to her good timin man.
