Johnny grew up
On the dark side of the law
Livin' in the shadow
Of the light he never saw

Rosie came 'round
In the way that true love does
Just when you're lookin' elsewhere
For the thing that never was

Wild as the wind
Wild as the wind is
Wild as the wind is love

Wild as the wind
Wild as the wind is
Wild as the wind is love

So they team up
And they traveled on thier way
Lookin' for forever
For every yesterday

She brings him hope
In the way that Angels do
Takin' him to heaven
In ways he never knew

Wild as the wind
Wild as the wind is
Wild as the wind is love

Wild as the wind
Wild as the wind is
Wild as the wind is love

Wild as the wind

Every so often
He gets a stray look in his eye
She knows how to hold him

Without ever askin' why

Wild as the wind
Wild as the wind is
Wild as the wind is love

Wild as the wind
Wild as the wind is
Wild as the wind is love

Wild as the wind
Wild as the wind is
Wild as the wind is love

Wild as the wind
Wild as the wind is
Wild as the wind is love
