(Rodney O)

The bass that's in your face, sho' nuff shrugs your face

Just like you got sprayed by a can of mace

You see your speaker is movin, everybody is groovin

My song moves along as it starts improvin

The highs will get no higher, the bass will go no lower

Cuz everlasting bass, sho' nuff moves a flower

Some people can't take it, they try to plead the case

But you can't get enough of everlasting bass

Joe's as fast as Carl Lewis

He's black, not Jewish

And when he's on stage, he can (scratching) do it

And I'm good to go, yes Rodney O

Leader of the show, make the ladies say "Oh!"

King of my castle, causin much pain

You dumb shrimp wimps, it's you I tame

So to the R, to the O, to the D-N-E-Y

Now what's that spell? Rodney, that's right

Me and Joe are on the go, movin fast, not slow

Sportin Filas and Adidas and some are Kangols

We ride on 747's, not DC-10's

We'll take a 3-day vacation and we'll do it again

Check in the hotel the day of the show

No time to play around because we got to go

You see we're on a flight, to rock the mic

In Miami, Florida where they film the Vice
