Just the other day when walking
Down to the corner when i saw a man
Sitting and look up with his hand saying
"Hey, won't you give me something
Won't you give me something to eat..."

I took a look into his eyes and
I saw he had a story to tell
But i walked away with my pockets full
Full of change and i said....
"I've got nothing for you".

It's time to confess that i need a little more
Jesus inside of me
Jesus inside of me

Don't you see that Jesus was homeless
Walking from city to city
Teaching people how to love
And giving them grace and mercy...
Giving them grace and mercy

And Jesus was a friend to the friendless
Loving all of the outcasts
Teaching them that there was more
More than what they're living for...
More than what they're living for

It's time to confess that i need a little more
Jesus inside of me
Jesus inside of me

Don't you see if you do not love them you will be
completely nothing
You could be absolutely amazing but you would be
nothing

It's time to confess that i need a little more
A little more
It's time to confess that i need a little more
A little more

Jesus inside of me
Jesus inside of me
Jesus inside of me
Jesus inside of me.
