I've lost count of the times I given up on you
But you make such a beautiful wreck, you do
There's a tavern on the corner called the Milky Way
And you look so at home there it makes me afraid

Chorus:

And at the dark end of this bar
What a beautiful wreck you are
When you go too far, beautiful wreck you are

Like all the plans that you had from seven years ago
Like all the promises you made I watched them come
and go
You put your keys in the car but it wouldn't drive
With your hands on the wheel, lookin' barely alive

I'm still sitting here waiting on the passenger side
For you to make up your mind
For you to make up your mind

Chorus

What a beautiful, such a beautiful, beautiful wreck you
are
What a beautiful, such a beautiful, beautiful wreck

I've lost count of the times I given up on you
But you make such a beautiful wreck, you do
Yeah, you make such a beautiful wreck, you do
You make such a beautiful wreck, you do

Chorus

What a beautiful, such a beautiful, beautiful wreck you
are
What a beautiful, such a beautiful, beautiful wreck you
are
