When I look into the mountains
I see Your fame
When I look in to the night's sky
It sparkles Your name

The wind and the clouds and the blue in the sky
The sun and the moon and the stars so high
That's what draws me to You

I am, I'm captivated by You
In all that You do
I am, I'm captivated

When I wake unto the morning
It gives me Your sight
When I look across the ocean
It echoes Your might

The sand on the shore and the waves in the sea
The air in my lungs and the way You made me
That's what draws me to You

I am, I'm captivated by You
In all that You do
I am, I'm captivated

'Cause I am, I'm captivated by You
In all that You do
I am, I'm captivated

The wind and the clouds and the blue in the sky
The sun and the moon and the stars so high
The sand on the shore and the waves in the sea
The air in my lungs and the way You made me

The blood in my veins and my heart You invade
The plants how they grow and the tree and their shade
The way that I feel and love in my soul
I thank You my God for letting me, letting me know

I am, I'm captivated by You
In all that You do

I am, I'm captivated

'Cause I am, I'm captivated by You
In all that You do
I am, I'm captivated
