Sometimes it is hard to go on
It's hard to see the reasons for breathing, living
Letting love guide the way
But you must hold on

Don't give up, don't give up
Hold on for one more day
Don't give up, don't give up
Hold on for one more day

Sometimes we fall down
We get ourselves in trouble but it's okay
'Cause we still have another chance
To get it right, to get it right

Don't give up, don't give up
Hold on for one more day
Don't give up, don't give up
Hold on for one more day

I've come too far, I've seen so much
I've heard the call and felt the touch
I've tasted love that I cannot deny
I've come too far, I've seen so much
I've heard the call and felt the touch
I've tasted love, tasted love that I cannot deny

Don't give up, don't give up
Hold on for one more day
Don't give up, don't give up
Hold on for one more day
