Jumped in the car slammed on the gas  
Got to get away from here real fast  
The enemy is breathing down my neck  
And trying to grab a hold and make my wreck  
Hot on my tail trying to make my fail  
Trying to take the wind up out of my sail  
Trying to run me off this road

Eyes forward  
Don't look at what's behind  
Eyes forward  
Don't take your eyes off the prize

Well, the pressures bleeding in  
Giving me some blurry vision  
Fogging up my intellect  
Where love and hate they intersect  
Keep the path of the mission  
Never going to lose my ambition  
Got my eyes up on the prize

Eyes forward  
Don't look at what's behind  
Eyes forward  
Don't take your eyes off the prize

Eyes forward  
Don't look at what's behind  
Eyes forward  
Don't take your eyes off the prize

Don't take your eyes off the prize  
Don't take your eyes off the prize  
Eyes forward, eye-eyes forward  
Eyes forward, eye-eyes forward  
Eye-eye-eye-eyes fo-fo-fo-forward
