(Listen to the rhythm)  
You're in your mind half the time  
Trying to find someone to hide behind  
But still they poured right in on you  
And everyday you try to walk away  
From the stupid things they say..  
They say to hurt you

But I'm singing Baby,  
I know you know  
That's when the music's pumping  
And the lights are low  
You become someone else  
(Yeah)....(When the lights are low)  
(Hey Hey...Yeahh, No No )

Well I gotta pay respect where respect is due  
I ain't never seen a woman who can move like you  
I said..I gotta pay respect where respect is due  
I ain't never seen a woman who can move like you

(Yeaahh, yeah)  
I'm singing Baby  
I know you know  
When the music's pumpin'  
And the lights are low  
You become someone else  
I'm singin' Baby  
I know you know  
When the music's pumpin'  
And the lights are low  
You become someone else

(Shelby Lynne ) I feel it burnin from my soul  
It takes me higher..yeah  
And baby there's no reason to control  
Your hot dance with my desire  
Ohhhh, yeaah..mmmmmm

You're in your mind half the time  
Tryin' to find someone to hide behind

But still they poured right in on you  
And everyday you try to walk away  
From the stupid things they say  
They say just to hurt you

I'm singin' Baby, I know you know  
When the music's pumpin' and the lights are low  
You become someone else  
I'm singin' Baby I know you know  
When the music's pumpin' and the lights are low  
You become someone else

(both sing scat)
