Let me tell you a story
of a little boy who had lost his way
In search for
Something to make it a better day

But all he seemed to find
Was a world of hurt and pain
And a place that didn't seem to care
Whether he lost his way

So the boy began to cry
So the boy began to cry

Does anyone love me?
Does anyone care?
Does anyone out there?
To find me lovely
To find me lovely
Find me lovely

Just when the little boy lost all hope
Well along came a man
Ushered him in
Head into his chest he said "little boy it's time that you
rest"
He opened up his arms and said
I've been searching for you sometime
And now little boy you've found a home
And no longer shall you want

And the man began to cry
yes the man began to cry

Don't you know I love you
Don't you know I care
I will always be here
And I find you lovely
Yes I find you lovely
Yes I find you so so lovely
I find you lovely
I find you lovely

oooooooooooo
find you lovely
yes i find you lovely
yes i find you lovely
I find you so lovely
yes I find you so lovely
find you lovely
