What will cause a man to climb the highest mountain  
In search for more?  
And will cause a man to swim the vast blue sea  
In search for more?  
What will cause a man to soar through the clouds  
In search for more?  
Yes, what is he looking for?

Now I'm sailing on the sea of mystery  
And I'm floating on the ocean of unknown  
And I'm not gonna come ashore  
Until I find what I'm looking for  
I'm not coming back 'til I find love

What will cause a man to wage the wildest storms  
In search for more?  
What will cause a man to explore the darkest jungles  
In search for more?  
What will cause a man to fly to the moon  
In search for more?  
Yes, what is he looking for?

Now I'm sailing on the sea of mystery  
And I'm floating on the ocean of unknown  
And I'm not gonna come ashore  
Until I find what I'm looking for  
I'm not coming back 'til I find love

Now I'm sailing on the open, open blue  
In hopes of someday finding You

Now I'm sailing on the sea of mystery  
And I'm floating on the ocean of unknown  
And I'm not gonna come ashore  
Until I find what I'm looking for  
I'm not coming back 'til I find love

Yes, I'm sailing on the sea of mystery  
And I'm floating on the ocean of unknown  
And I'm not gonna come ashore  
Until I find what I'm looking for  
I'm not coming back 'til I find love
