Hey little sister
Why do you cry?
Holding your head so low,
May I ask you why?

Don't you know that He loves you?
Don't you know that He cares?
He will never leave you, no,
And never leave you there.

Ã¢â€˜Ã¢â€˜Cause you are perfect
You are perfectly,
Perfectly done.

And hey little brother,
I know life has been rough.
But I believe in you,
Ã¢â€˜Ã¢â€˜Cause in God you are tough.

You must stand tall,
And leave it all.
Never let this whole world,
Take away your soul.

Ã¢â€˜Ã¢â€˜Cause you are perfect,
You are perfectly,
Perfectly done.

You are perfect,
Yes, you are perfectly done.
