Yes I will rise  
Out of these ashes rise  
From this trouble I have found  
And this rubble on the ground  
I will rise

Cause He who is in me  
Is greater than I will ever be  
And I will rise

Sometimes my heart is on the ground  
And love is nowhere to be found  
And yet I hold on to what I know is true  
And yes I hold on, I hold onto You

Yes I will rise  
Out of these ashes rise  
From this trouble I have found  
And this rubble on the ground  
I will rise

Cause He who is in me  
Is greater than I will ever be  
And I will rise

So close your eyes  
Yes close your eyes with me tonight  
Let us listen for He has called  
Let us listen for Hes called  
Cuz His heart, yes it is beating  
Yes His heart, it is beating tonight  
Cuz His heart, oh it is beating  
Yes His heart, it is beating tonight

Yes I will rise  
Out of these ashes rise  
From this trouble I have found  
And this rubble on the ground  
I will rise

Cause He who is in me  
Is greater than I will ever be

And I will rise
