Once there were greenfields  
Kissed by the sun  
Once there were valleys  
Where rivers used to run  
Once there were blue skies  
With white clouds high above  
Once they were part of  
An everlasting love  
We were the lovers who strolled  
Through greenfields.

Greenfields are gone now  
Parched by the sun  
Gone from the valleys  
Where rivers used to run  
Gone with the cold wind  
That swept in through to my heart  
Gone with the lovers  
Who let their dreams depart  
Where are the greenfields that we  
Used to roam.

I'll never know what made you run away  
How can I keep searching when dark clouds hide the  
day  
I only know there's nothing here for me  
Nothing in this wild world left for me to see.

But I'll keep on waiting  
'Til you return  
I'll keep on waiting  
Until the day you learn  
You can't be happy  
When your heart's on a roam  
You can't be happy  
Until you bring it home  
Home to the greenfields and me  
Once again.
