"Turn around"

Where are you going my little one, little one
Where are you going my baby my own
Turn around and you're two
Turn around and you're four
Turn around and you're a young girl
Going out of the door

Turn around
Turn around
Turn around and you're a young girl
Going out of the door

Where are you going my little one, little one
Little drendils and petticoats, where are you now
Turn around and you're tiny
Turn around and you're grown
Turn around and you're a young wife
With babes of your own

Turn around
Turn around
Turn around and you're a young wife
With babes of your own

Where are you going my little one, little one
Where are you going my baby my own...
